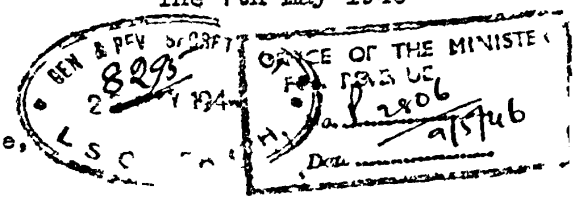
Bowringpet,
The 7th May 1946



From

J. Soklyn,
Secretary, Muslim League,
BOWRINGPET

To

The Minister for Revenue in Mysore,
BANGALORE

Sir,

In continuation of my application dated the 20th November 1945 and the Endorsement thereon from the Deputy Commissioner, Kolar, stating that objections might have been preferred to the Acquisition Officer at the proper time, I beg to state that the Muslims of the locality were not informed and the objections from them were not heard

The Adikarnatakars of Bowringpet have got a colony of their own whereat they have got nearly 250 houses, the colony is called " Gangammapalyem " and there is ample scope to extend the colony on all sides The present plot proposed for Adi-Karnataka Block is quite a distance from the present A K Block and it is in the Muslim Block called " Haji Sir Ismail Sait compound " The Muslims of this Block have repeatedly represented to the local authorities to make these sites available to muslims but they have given a deaf ear to the cry of the muslims and have taken up the A K question to the foremost and as most important factor It is strange to note why the Adi Karnatakars who have got a separate colony of their own are now being thrusted among the muslimscolony as stated above They may kindly be given sites near their own locality and the muslims may be given scope to extend their own colony

The subject has been taken up before the Taluk Muslim League Conference which will be held by the end of this month The matter will be discussed and their proceedings will also be communicated in due course

Yours faithfully,

J. Soklyn

Subject Petition dated 7/5/46 presented by Mr J M Soklyn, Secretary, Muslim League, Bowringpet, objecting to the acquisition of 0-34 guntas of land out of S No, 133 in Bowringpet

--

Sir,

With reference to your No L 466 dated 8th July 1946 forwarding petition referred to above, for favour of a report in the matter, I have the honour to forward herewith the entire file of correspondence ending with Kolar Sub Division Officer's Memo No R4 C 108/45-46 dated 23rd July 1946 and to state as follows:

The acquisition of the property referred to above was sanctioned in G/No I 6687-9/M L 15-44-16 dated 6th January 1945 The Sub Division Officer, Kolar while passing the award has ordered on 31/3/45 (award order enclosed in the records) that the Muslims simply kept quiet without making any agitation when there were a few huts of the Adidravidas in the portion of S No 133 now acquired and that they preferred objections now when the land on

on which the huts existed was permanently acquired for the extension of the Adikarnataka colony The former ~~owner~~ owner of the land S No 133 had no objection to the acquisition of the land It is only after the Town Municipal Council, Bowringpet proposed to acquire the land that the land has been sold for Rs 2000/- to two gentlemen by name Messrs Mahammad Hussain and Mahammad Akbar, the price paid being only a fancy price The Sub Division Officer, Kolar after considering all the points has ordered that a compensation at the rate of Rs 200/- per acre in addition to the statutory allowance at 15% of the market rate may be paid to Mr J M Sokleyn and he was also endorsed suitably in this office Memo No LC24/45-46 dated 1/3/46 A 3-C If the party was dissatisfied with the award passed it was open to him to file an appeal in the District Court

In these circumstances I am of opinion that the objection of the Muslims is untenable and no action is called for at this distance of time on their petition The acquisition proceedings have already been completed and the property has also been handed over to the Municipality The petitioner may be kindly endorsed accordingly

The petitioner may be kindly endorsed accordingly

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Polar District
